## Description

Massey Ferguson TH.8043 telehandler is a cutting-edge telehandler released in 2022, boasting Stage 5 efficiency for reduced emissions. Equipped with a hydraulic trailer hitch, auto boom suspension, and LED work lights, it ensures smooth operations. Comfort features like air conditioning and an air suspension high comfort seat enhance the operator's experience. Safety is prioritized with a hitch view mirror and windscreen grille. This telehandler excels in various tasks, making it a top choice for agricultural and construction needs.

Tyres: 460/70R24 - Michelin
