Description

Experience the exceptional performance of the Massey Ferguson 8S.225 Dyna 7 with only 1,614 hours of use. This powerful tractor features a 50kph transmission, front axle and cab suspension, and air and hydraulic trailer brakes for superior control and comfort. The multipad joystick on the armrest ensures easy operation, while the rear roof camera enhances visibility. Stay comfortable with a heated windscreen and be seen with twin beacons. Built for efficiency and reliability, this tractor is ready to elevate your farming operations.

Front tyres – Michelin Multibib 540/65R30 @ 70%.

Rear tyres – Michelin Multibib 650/65R42 @ 75%.
