Description

Introducing the Can-Am Traxter Max DPS HD, where power and versatility meet unmatched performance. Boasting a robust 65 HP (48 kW) engine, it's designed to conquer any terrain with ease. With up to 11 inches (28 cm) of ground clearance and durable 27-inch XPS Trail Force tires, no obstacle is too challenging. Experience supreme comfort for every rider with the VERSA-PRO bench seat, while Dynamic Power Steering (DPS) ensures precise handling in any condition. Whether you're working hard or hitting the trails for adventure, the Traxter Max DPS HD delivers the reliability, versatility, and power you need to tackle any task with confidence.
