Description

The cutting-edge Massey Ferguson 6S.180 Dyna VT, redefining efficiency and comfort in agricultural machinery. Engineered for optimal performance, this powerhouse boasts a swift 50kph speed, ideal for maximising productivity on the field. With its multi-armrest and multipad design, ergonomic functionality meets intuitive control, while features like 2 electric spools, air brakes, and a 3200kg front linkage ensure versatility and precision in every task. Equipped with a 540/1000rpm PTO and full suspension system, this model delivers unmatched stability and power transfer. Enjoy a luxurious ride with an adjustable steering column, Bluetooth connectivity, rear screen washer, and a super luxe air-grammer seat, all complemented by modern conveniences like GPS ready and LED work lights. Stay cool and collected with air conditioning and electric de-icing mirrors, making the Massey Ferguson 6S.180 Dyna VT the pinnacle of innovation and comfort in agricultural machinery.
