## Description

This new Massey Ferguson 7S.210 Dyna-VT, the pinnacle of modern agricultural engineering. This powerhouse is GPS-ready, ensuring precision farming at your fingertips. The advanced Multiarmrest and Multipad provide intuitive control, while the impressive 190 l/min hydraulic power beyond, complemented by 2 electric spools, ensures unmatched versatility. Safety and convenience are paramount with air brakes, in-cab PTO controls, and a full suspension system. The adjustable steering column and Speedsteer technology enhance manoeuvrability, and the rear screen wiper and wash keep your view clear in all conditions. Experience unparalleled comfort with the super luxe air Grammer seat, climate control, and adjustable, de-icing mirrors. Work efficiently day or night with LED worklights and stay powered with 2 power sockets. The Massey Ferguson 7S.210 Dyna-VT is designed for those who demand the best in performance and comfort.
