Description

The Massey Ferguson 7S.165 Dyna VT is a robust and efficient tractor designed for a wide range of agricultural tasks. Featuring the Multi Armrest + Multipad for intuitive control, it is equipped with air brakes and a hydraulic front coupler to handle demanding implements with ease. The full suspension and adjustable steering column, along with Speedsteer, provide a smooth and comfortable ride across any terrain. The air conditioning ensures a comfortable working environment, while the tiltable bonnet allows for easy maintenance. With GPS-ready capabilities, LED worklights, and 2 power sockets, this tractor is built for efficiency, convenience, and long-lasting performance in the field.
