Description

Massey Ferguson 8S.205 is a versatile and powerful tractor designed to meet the demands of modern agriculture. It features a Multi armrest with a multipad for intuitive control, 2 electric spools, 2 mechanical spools, and hydraulic power beyond for enhanced versatility. The electronic PTO in-cab controls, adjustable steering column, and Speedsteer system offer precise handling and control. Comfort is ensured with full suspension, air conditioning, and an air-suspended swivel seat. Equipped with GPS readiness, LED worklights, and a range of connectivity options, including Radio/Aux/USB/DAB, this tractor is ready for any challenge on the field.
