Description

Introducing the Can-Am Traxter Base HD7 T, where power meets practicality for all your off-road adventures. Featuring a sturdy 52 HP (39 kW) engine, it's engineered to handle any task with confidence. With an impressive 11-inch (28 cm) ground clearance and reliable 27-inch Maxxis Coronado tires, it conquers rugged terrain with ease. Enjoy comfort and versatility with the VERSA-PRO bench seat, providing ample space for riders. Stay informed and in control with the intuitive 7.6-inch digital display, offering easy access to essential information. Whether it's work or play, the Traxter Base HD7 T is your reliable companion for every journey.
